RE: Scope determination on antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967)

1. On 02/05/2015, in response to a request by 5 Diamond Promotions, Inc., Commerce issued a final scope determination that aluminum flag pole kits which 5 Diamond Promotions, Inc. imports are within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).
2. Because the imported product does not meet the exclusion criteria for a "finished goods kit," as the aluminum flag pole kits solely contain aluminum extrusions and fasteners, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of aluminum extrusions from the People's Republic of China, including aluminum flag pole kits imported by 5 Diamond Promotions, Inc. described above, subject to the antidumping duty order on aluminum extrusions from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
